Dear Mr. Youn,

I am pleased to acknowledge your gift of six catalogs.

They are important publications and will enhance our research materials on modern and contemporary art. Our ambition is to build the finest and most comprehensive collection, and I am grateful for your participation in this important initiative. A bibliographic record in *Watsonise*, our online catalog, acknowledges you as donor.

Thank you for your assistance in helping to build the library's collection of contemporary material. Please be sure to keep us on your mailing list for future gallery publications. I appreciate your generosity and your support of research and scholarship at The Metropolitan Museum of Art.

Very truly yours,

Kenneth Sochner
